## LOCAL SHOOTERS HAVE SHOT "OUT"

Strain of Recent Big Event Evident in Their Scores on Yesterday.

"Hammered and shot out" is a very appropriate description of the shooters who attended the regular shoot of the East End Gun Club on yesterday eve

Sixteen shooters faced the traps, but the wind played such havoe with the scores that no one could make good averages. However, while there was a lull in one event, Mr. William Harris got busy and made a straight fifteen, which

was the only one of the evening. He was heartly applauded.

Mr. George Robinson won beth the weekly and the high gun medals. At the end of the first twenty-five Messra. Richmond and Manchester reoters were

Richmond and Manchester rooters were disappointed yesterday, for both teams dropped their game to Barton Heights and Fulton. The quartelfs of pitchers did grood work, and most of the runs made were through errors and dumb playing. Both games were enjoyed, however, and there was plenty of rooting.

Both Rose and Eacho put up stellar work, the latter in a great run for an outfield fly, through which he assisted in a double at second, and Eacho in a wonderful stop of a grounder. These in a double at second, and Pattern wonderful stop of a grounder. These plays were liberally applauded. The good work of the pitchers is shown by the small number of hits made in the two games.

#### ' First Game.

The first contest was between Richmond and Barton Heights. For two in-nings nothing was done, and only one nan reached arst base-Crawford, who singled and stole second. Then in the third Boone safed on Dallon's error. Edthird Boone safed on Dallon's error. Edwards did the same thing on a second error, and both scored on Fliz's two-bagger. Miles singled in the fourth, stole second and scored on Taylor's hit; the latter went down on Boone's single, a double steal followed, and through some dumb work by the Richmond Infield, both men followed Miles over the plate, making the score 5 to 0, at which point it remained. ## Second Game.

When the sccond Game.

When the sccond game was called the crowd had largely increased. Manchester went in with fighting glothes on, but the usual luck of the Browhles followed them, and in the "lucky seventh" they won the game through a hit by Grimes, a sacrifice by Huicher, and two errors by Ford. In the lifth inning Johnnie Meryoy beat out a bint in the eyes of the crowd, but the umpire saw it differently. Sharp had just singled and was on third, through a steal and a wild pitch, and there was a chance for a run, as Hicks, a good hitter, was the next man up. Grimes's two errors might have been costly, but they counted for nothing. The oilleial score follows:
